Re: Mobile Phones and Electronic Devices

Dear Parents / Carers / Guardians,

As we settle back into school routine, we wanted to take this opportunity to remind everyone of the guidelines surrounding mobile phones and electronic devices within school.

Whilst we understand that these devices can act as a support during the transition to and from school, pupils are not permitted to access their devices during the school day, unless there is a specific medical reason that has been agreed in advance. This is a safeguarding measure to help keep all pupils safe.

To avoid confusion these are the expectations regarding such devices:

- Pupils will hand in **all** electronic devices to reception upon arrival.
- Pupils collect electronic devices at the end of the school day from reception.
- There will be no access to devices during the school day, unless agreed in advance for a specific reason.

Thank you in advance for your continued support. If you have any questions, please email LEPC@Longspee-academy.co.uk.

Kind regards

Mr D Goodey
